THE COMPLETE TEXT OF HOUSE BILL NO. 627, REFERRED BY LR-120

AN ACT REQUIRING PARENTAL NOTIFICATION PRIOR TO AN ABORTION FOR A MINOR; PROVIDING FOR A JUDICIAL WAIVER OF NOTIFICATION; PROVIDING PENALTIES; REPEALING PRIOR STATUTES RELATING TO PARENTAL NOTIFICATION; PROVIDING THAT THE PROPOSED ACT BE SUBMITTED TO THE QUALIFIED ELECTORS OF MONTANA; AMENDING SECTIONS 41-1-405 AND 47-1-104, MCA; REPEALING SECTIONS 50-20-201, 50-20-202, 50-20-203, 50-20-204, 50-20-205, 50-20-208, 50-20-209, 50-20-211, 50-20-212, AND 50-20-215, MCA; AND PROVIDING AN EFFECTIVE DATE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Short title. [Sections 1 through 9] may be cited as the "Parental Notice of Abortion Act of 2011".

Section 2. Legislative purpose and findings. (1) The legislature finds that:

(a) immature minors often lack the ability to make fully informed choices that take into account both immediate and long-range consequences;

(b) the medical, emotional, and psychological consequences of abortion are sometimes serious and can be lasting, particularly when the patient is immature;

(c) the capacity to become pregnant and the capacity for mature judgment concerning the wisdom of an abortion are not necessarily related;

(d) parents ordinarily possess information essential to a physician in the exercise of the physician's best medical judgment concerning the minor;

(e) parents who are aware that their minor daughter has had an abortion may better ensure that the daughter receives adequate medical care after the abortion; and

(f) parental consultation is usually desirable and in the best interests of the minor.

(2) The purpose of [sections 1 through 9] is to further the important and compelling state interests of:

(a) protecting minors against their own immaturity;

(b) fostering family unity and preserving the family as a viable social unit;

(c) protecting the constitutional rights of parents to rear children who are members of their household; and

(d) reducing teenage pregnancy and unnecessary abortion.

Section 3. Definitions. As used in this part, unless the context requires otherwise, the following definitions apply:

(1) "Actual notice" means the giving of notice directly in person or by telephone.

(2) "Coerce" means to restrain or dominate the choice of a minor female by force, threat of force, or deprivation of food and shelter.

(3) "Emancipated minor" means a person under 18 years of age who is or has been married or who has been granted an order of limited emancipation by a court as provided in 41-3-438.

(4) "Medical emergency" means a condition that, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of the woman's pregnancy to avert the woman's death or a condition for which a delay in treatment will create serious risk of substantial and irreversible impairment of a major bodily function.

(5) "Minor" means a female under 16 years of age who is not an emancipated minor.

(6) "Physical abuse" means any physical injury intentionally inflicted by a parent or legal guardian on a child.

(7) "Physician" means a person licensed to practice medicine under Title 37, chapter 3.

(8) "Sexual abuse" has the meaning given in 41-3-102.

Section 4. Notice of parent required. A physician may not perform an abortion upon a minor unless the physician has given at least 48 hours' actual notice to one parent or to the legal guardian of the pregnant minor of the physician's intention to perform the abortion. The actual notice may be given by a referring physician. The physician who performs the abortion must receive the written statement of the referring physician certifying that the referring physician has given actual notice. If actual notice is not possible after a reasonable effort, the physician or the physician's agent shall give alternate notice as provided in [section 5].

Section 5. Alternative notification. In lieu of the actual notice required by [section 4], notice may be made by certified mail addressed to the parent at the usual place of residence of the parent with return receipt requested and delivery restricted to the addressee, which means a postal employee may deliver the mail only to the authorized addressee. Time of delivery is considered to occur at noon on the next day on which regular mail delivery takes place after mailing.

Section 6. Exceptions. Notice is not required under [section 4 or 5] if:

(1) the attending physician certifies in the patient's medical record that a medical emergency exists and there is insufficient time to provide notice;

(2) notice is waived, in writing, by the person entitled to notice; or

(3) notice is waived under [section 8].

Section 7. Coercion prohibited. A parent, a guardian, or any other person may not coerce a minor to have an abortion. If a minor is denied financial support by the minor's parents, guardian, or custodian because of the minor's refusal to have an abortion, the minor must be considered an emancipated minor for the purposes of eligibility for public assistance benefits. The public assistance benefits may not be used to obtain an abortion.

Section 8. Procedure for judicial waiver of notice. (1) The requirements and procedures under this section are available to minors whether or not they are residents of this state.

(2) The minor may petition the youth court for a waiver of the notice requirement and may participate in the proceedings on the person's own behalf. The petition must include a statement that the petitioner is pregnant and is not emancipated. The court may appoint a guardian ad litem for the petitioner. A guardian ad litem is required to maintain the confidentiality of the proceedings. The youth court shall advise the petitioner of the right to assigned counsel and shall order the office of state public defender, provided for in 47-1-201, to assign counsel upon request.

(3) Proceedings under this section are confidential and must ensure the anonymity of the petitioner. All proceedings under this section must be sealed. The petitioner may file the petition using a pseudonym or using the petitioner's initials. All documents related to the petition are confidential and are not available to the public. The proceedings on the petition must be given preference over other pending matters to the extent necessary to ensure that the court reaches a prompt decision. The court shall issue written findings of fact and conclusions of law and rule within 48 hours of the time that the petition is filed unless the time is extended at the request of the petitioner. If the court fails to rule within 48 hours and the time is not extended, the petition is granted and the notice requirement is waived.

(4) If the court finds that the petitioner is competent to decide whether to have an abortion, the court shall issue an order authorizing the minor to consent to the performance or inducement of an abortion without the notification of a parent or guardian.

(5) The court shall issue an order authorizing the petitioner to consent to an abortion without the notification of a parent or guardian if the court finds that:

(a) there is evidence of physical abuse, sexual abuse, or emotional abuse of the petitioner by one or both parents, a guardian, or a custodian; or

(b) the notification of a parent or guardian is not in the best interests of the petitioner.

(6) If the court does not make a finding specified in subsection (4) or (5), the court shall dismiss the petition.

(7) A court that conducts proceedings under this section shall issue written and specific findings of fact and conclusions of law supporting its decision and shall order that a confidential record of the evidence, findings, and conclusions be maintained.

(8) The supreme court may adopt rules providing an expedited confidential appeal by a petitioner if the youth court denies a petition. An order authorizing an abortion without notice is not subject to appeal.

(9) Filing fees may not be required of a pregnant minor who petitions a court for a waiver of parental notification or appeals a denial of a petition.

Section 9. Criminal and civil penalties. (1) A person convicted of performing an abortion in violation of [section 4 or 5] shall be fined an amount not to exceed \$500 or be imprisoned in the county jail for a term not to exceed 6 months, or both.

(2) Failure to provide the notice required under [section 4 or 5] is prima facie evidence in an appropriate civil action for a violation of a professional obligation. The evidence does not apply to issues other than failure to notify the parents or guardian. A

civil action may be based on a claim that the failure to notify was the result of a violation of the appropriate legal standard of care. Failure to provide notice is presumed to be actual malice pursuant to the provisions of 27-1-221. [Sections 1 through 9] do not limit the common-law rights of parents.

(3) A person who coerces a minor to have an abortion is guilty of a misdemeanor and upon conviction shall be fined an amount not to exceed \$1,000 or be imprisoned in the county jail for a term not to exceed 1 year, or both. On a second or subsequent conviction, the person shall be fined an amount not less than \$500 and not more than \$50,000 and be imprisoned in the state prison for a term not less than 10 days and not more than 5 years, or both.

(4) A person not authorized to receive notice under [section 5] who signs a notice of waiver as provided in [section 6(2)] is guilty of a misdemeanor.

Section 10. Section 41-1-405, MCA, is amended to read:

"41-1-405. Emergencies and special situations. (1) A health professional may render or attempt to render emergency service or first aid, medical, surgical, dental, or psychiatric treatment, without compensation, to any injured person or any person regardless of age who is in need of immediate health care when, in good faith, the professional believes that the giving of aid is the only alternative to probable death or serious physical or mental damage.

(2) A health professional may render nonemergency services to minors for conditions that will endanger the health or life of the minor if services would be delayed by obtaining consent from spouse, parent, parents, or legal guardian.

(3) Consent may not be required of a minor who does not possess the mental capacity or who has a physical disability that renders the minor incapable of giving consent and who has no known relatives or legal guardians, if a physician determines that the health service should be given.
